The Great DFW.pm Reboot of 12 / 12 / 12

Perl

- **Meet And Greet**

- **Presentation**

- **Leadership**

- **Collaborative Curriculum**

- **Events**

- **Q & A**

DFW.pm Leadership

- **Under new Management**

- Leadership Handoff from the *Perez*ident

  - **Tommy Butler tommy@butler.sh**

  - **John Fields wigthft@gmail.com** ← *WTF?*

New Beginning, New Approach

- **TIMTOWTDI** – Perl Mongers
- **Collaborative Learning**
  - We're working **together** to improve our hackery
  - **You get to help** teach yourself
  - When you come, **come ready to learn**
- No dues – keep your money!**
- Remain **informal** AND **informative**
- **Have Fun!**

A Collaborative Curriculum

- **Focus** (What you will learn)
  - Modern Perl (Moose)
  - LAMP / PSGI (plack)
  - MVC (mojolicious / catalyst)
  - Collaborative development with Git (uh, Git)

A Collaborative Curriculum

- **Methodology –** We're not just going to have presentations...

  - Were' going to have hackathons

  - We're going to have projects

  - We're going to develop valuable skills

  - We're going to use what we learn

A Collaborative Curriculum

Applying Ourselves && Becoming Awesome

- **Perl Projects**
  - **SpamMeNot** mail server
    - Not getting spam gets real!
    - Starting out, then taking it to the next level
  - **DFW.pm.org website**
    - If we build it, they will come
    - Expanding our horizons with Modern Perl

Events

- **Monthly Meetings**
  - Presentations
  - Lightning Talks (Testify!)

- **Field Trips**
  - YAPC::NA
